Tuesday, November 18, 2008
Silver 1003
Refreshments:  7:00 pm
Science:  7:30 - 9:00 pm

Speakers - not necessarily in this order:

**Mark M. Green**
*Polytechnic Institute of New York University*
Department of Chemical and Biological Sciences

Unfinished Business in Cooperative Chirality

**Michael D. Ward**
*New York University, Department of Chemistry and Molecular Design Institute*

Crystallization in Nanospaces

**Carlos Meriles**
*City College, CUNY, Department of Physics*

Nanoscale Magnetic Resonance Imaging: Challenges and Opportunities

Sessions feature three 30-minute presentations on nanoscience, one each with strong orientation in biology, chemistry, and physics/applied mathematics. Presentations will be focused on discussion of recent work, although speakers will be expected to place the work in a context understandable to a broad audience.

Joint Meeting with Nanoscience Topical Group New York Section, American Chemical Society

For more information about this event, contact: James Canary (james.canary@nyu.edu).
